Content you'll find in the Safari Premium Library

Rough Cuts—Only available from Safari Books Online, users can participate in dialogues with authors and other subscribers about book content while it's being developed. Future iterations of the manuscript and published work are included in the price of the subscription.

Videos—A comprehensive collection of online videos provides top-notch instruction on web design, software development and graphic tools and techniques from leading experts in training videos like lynda.com and Splash Media.

Short Cuts—Exclusive works that our publishers produce to describe technologies and topics that are either too early in their life cycles or too specific to have entire books dedicated to them.

Downloads—The majority of Safari's titles feature downloadable sections and chapters in PDFs that you can save and access when and where you need to. Full book downloads are also available.

Valuable Content—O'Reilly Radar Reports, newsletters, publisher content, and more available only to Safari Books Online subscribers.
